

## **SuperiorTech4Teachers Sponsorship Opportunities**

Take advantage of the unique opportunity to become one of the sponsors of the most sought after educational conferences around. ST4T is the biggest EdTech learning event in the Tampa Bay Area. It will take place at the Plato Academy Clearwater Campus, located at 2045 Palmetto Street, Clearwater, Florida on June 6-7-8, 2018. We expect to have more than 300 attendees from diverse backgrounds such as educators, administrators, and stakeholders that teach and work in public, charter, and private schools around the country.

ST4T's warm atmosphere and personalized physical setup will provide spaces for sponsors to interact in meaningful ways with these attendees, and leave a lasting impression. We designed the floor in a way that encourages intimate discussions between sponsors and participants, so that we can help you reach as many of the attendees as possible and broadcast your message loud and clear.

For more information please visit <http://superiortech4teachers.com/>  
Send questions or concerns to [chatzopoulosn@platoacademy.net](mailto:chatzopoulosn@platoacademy.net)

We encourage you to think meticulously before you choose the level of sponsorship you would like select. Each level has its own perks, advantages, and ability to reach customers and promote the products and/or services you provide. Please fill out the form below and send it to:
